## Venture's Statement on REACH directive (EC1097/2006)

Venture Lighting Europe Ltd is obligated under the REACH directive to inform recipients of articles where the presence of "Substances of Very High Concern" (SVHC) is >0.1% by weight.

Articles supplied by Venture Lighting Europe Ltd are free from SVHC's, however the following exceptions apply:

- Emergency lighting signage, luminaires, and remote packs with part prefix "EMG".
- Luminaires fitted with optional Emergency packs containing the part code suffix "-EM".

Furthermore, Venture Lighting Europe Ltd is obligated to provide sufficient information to allow safe handling and use of the above listed articles. This information is available upon request in the form of a materials safety datasheet for Nickel Cadmium batteries.
