

## VGP 200-450W Technical datasheet

<b>Lighting technology:</b>	Bus-compatible hall pendant lamps
<b>Lamp type:</b>	Metal halide lamp (HiD)
<b>Connection voltage:</b>	230V~/50Hz (more on request)
<b>Socket:</b>	E40
<b>Light connection:</b>	2m 3 core flex 2.5mm <sup>2</sup>
<b>Ballast:</b>	Electronic control gear (ECG), Dimmable (35%-100%) Control via digital signal or analogue 1-10V, DC control lead Control via controlling computer using web server With pre-installed lighting management system
<b>Output:</b>	200.0W – 450.0W
<b>System output (+ 7%):</b>	214.0W – 481.0W; efficiency: ca. 94 lm/W
<b>Lighting efficiency:</b>	ca. 95.8%
<b>Lamp housing:</b>	Aluminium reflector (di-symmetrical) with grey plastic cover Diameter: 455mm Height: 265mm
<b>Colour:</b>	Grey
<b>Lamp compartment protection category:</b>	IP21 (further protection classes possible)
<b>Protection class:</b>	SK 1 (safety earthing)
<b>Certificates/descriptions:</b>	ENEC
